Authority for Expenditure of \$ 1326.00 is requested for purpose of temporary toilet facilities
in portable bunkhouse ~~to property~~ at Bakersfield, Calif.
(Station or Location)

Description of project:

Equip present 9' x 53' portable bunkhouse with toilet facilities.

Recommendations:

At present there are no toilet or shower facilities available for the Mexican Nationals, necessitating their using the facilities intended for the office and supervisory force. This arrangement is unsatisfactory, and as we estimate we will require 30 Nationals during 6 months of 1945, propose to install 2 showers, 2 water closets, 2 lavatories and a hot water heater in one section of present bunkhouse.

As facilities will probably not be required after the duration, charges are properly shown to operating account.

Not included in 1945 budget.
